

FIRST STEPS TO THE BOARDROOM

Advisory Boards for Accounting Professionals

ONE DAY PROGRAM

Learn from the leading
global professional body for
the Advisory Board sector

In collaboration with

ACCA

Accountants are the most trusted advisors in business today. With commercial acumen the top skill boards demand, accounting professionals stand out as strategic partners — and secure higher advisory client engagement on average than their peers.

Join this one day Program to understand why advisory boards are the most practical pathway to the boardroom and Directorship — and walk away with practical strategies, tools and techniques to start your board journey.

MODULE 1: Foundation to Advisory Boards & Governance Systems

- Understand boardrooms and modern governance systems
- Explore how boards are different and how they work together
- Gain insights into market demand, how they are formed and who does what
- Understand ethics and role boundaries in the landscape of advisory options

MODULE 2: Entering the Boardroom

- Discover the different pathways to the Boardroom
- Map your competencies to the Advisory Board Competency Framework™
- Explore methods to build your profile and experience
- Plan your strategic pathways to become a board professional

SECURE YOUR PLACE

IN THEIR WORDS

Advisory Board Centre Learning Experiences

“

“Inspiring content, delivered by unquestionable experts in their fields”

“Condensed wisdom, actionable best practice, pragmatic and customisable frameworks... one of the most practical and relevant learning experiences”

“The tools that were shared will help us stand out from the pack!”

”

About the Advisory Board Centre

The **Advisory Board Centre** is the global professional body for the advisory board sector. Its purpose is to raise the standard of advisory boards for both professionals and organisations. Backed by the Global Research Council, it operates with members in over 33 Countries, it is leading the professionalisation and global growth of best practice and ethics in advisor engagement. It provides services to individuals and organisations including credentials, education, best practice implementation, research and development and advocacy.
